THE HON'BLE SRI JUSTICE M.VENKATESWARA REDDY

WRIT PETITION NO.9539 OF 2006

ORDER:

The petitioner's grievance is that when a written complaint dated 22-04-2006 was sent to the second respondent with a copy marked to the first respondent, by registered post, alleging that her second husband i.e., the third respondent herein kidnapped her son and has been coercing her to get divorce. She further alleges that though the police received the said complaint, no case is registered against the third respondent so far.

The learned Government Pleader for Home seeks time

for getting instructions.

Having regard to the facts and circumstances of the case, I am of the opinion that no instructions are needed in the matter and the writ petition as well can be disposed of at the stage of admission itself.

Therefore, the writ petition is disposed of with a direction to the second respondent to register the case, if it is not already registered.
